

# What's on? Erosion workshop

**When?** 24<sup>th</sup> May

**What time?** Commencing 9am

**Where?** Meeting 7837 Lillecrapp Rd

**What does it involve?** Col Stanton will be taking members on an 'erosion tour' around Lillecrapp road, visiting different types of erosion on properties and demonstrating simple, cost effective ways to tackle them. This will enable you to devise a management plan to deal with erosion on your own property using readily available materials and tools.

**RSVP?** 17<sup>th</sup> May. Please RSVP for catering purposes. For further information and to RSVP email [lfw@lowecol.com.au](mailto:lfw@lowecol.com.au) or call 89 555 222
