

NATIONAL TREE DAY 29TH JULY 2007

Come along to a workshop at Botanist Peter Latz's Place at Lot 1969 Ilparpa Rd, 10:30am on Sunday 29th July.

Over the past 10 years Latzii has been actively controlling the Buffel Grass on his shared 20 acre block. A guided walk around the property will provide insight into successful weed removal techniques for promoting regeneration of the native seed bank!

Come and learn some proven techniques for managing weeds on your block which is a step towards protecting the native remnant vegetation and its dependent wildlife!

Morning tea will be provided, Please park your cars out on Ilparpa Rd and walk up the driveway. Don't forget to collect your free Whitewood *Atalaya hemiglauca* after the workshop!

Hope to see you there!

Please RSVP Heidi by Wednesday 24th July. For further information contact Land for Wildlife by emailing lfw@lowecol.com.au or calling 8955 5222
