

Want to improve habitat for wildlife on your property?

Do you know what this involves, and what steps to take?

## Why not come and develop a Weed and Landscape Management Plan for your block?

We'll discuss some tactics and strategies, and help you develop your own management plan, which will save you time and money!

Local experts will be on hand to answer your questions.

Come along to the Power and Water Corporation - Sadadeen Complex Training Room

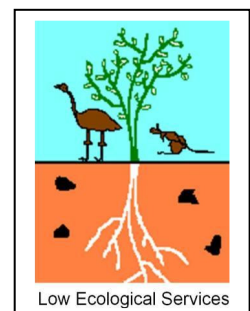

4:30pm arrival for a 5pm sharp start on Thursday 14<sup>th</sup> Feb 2008. (Park in the visitor car park where we will meet for a chat and run through the workshop activities)

We'll provide a Google Earth photograph of your block and a management plan so don't forget to RSVP!

Please RSVP for catering purposes by Tuesday 12<sup>th</sup> Feb  
For further information and RSVP contact

Land for Wildlife Coordinator, by emailing [lfw@lowecol.com.au](mailto:lfw@lowecol.com.au) or calling 89 555 222

Nibbles & drinks will be available, come along and get to know your fellow Land for Wildlife members!
